

## **Professor Coldren's Group**

### *I. Staff*

A. Miller                                          Center Assistant, OTC

## **Collaborators**

### *I. Faculty*

J. Klamkin                                          UCSB

C.J. Palmstrom                                      UCSB

C. Schow                                              UCSB

J. Yao                                                      University of Ottawa

C. J. Chang-Hasnain                                  UC Berkeley

### *II. Researchers*

S. Pinna                                                  Project Scientist, UCSB (Klamkin)

A. P. McFadden                                        Postdoctoral Researcher, UCSB (Palmstrom)

L. Megalini                                              Project Scientist (Klamkin), now at Infineon Tech.

P. Qiao                                                      UC Berkeley (Chang-Hasnain) now at Lumentum

S. Dwivedi                                                Postdoctoral Researcher, UCSB (Klamkin) now at IMEC

S. Arafin                                                    Assistant Project Scientist, (Coldren) now at Ohio State  
University

B. Isaac                                                    Project Scientist (Klamkin) now at Freedom Photonics

J. A. Gupta                                                National Research Council of Canada

M. Stephen                                                NASA-GSFC

J. R. Chen                                                 NASA-GSFC

K. Numata                                                NASA –GSFC

R. Kawa                                                    NASA-GSFC

M. Li                                                        Chinese Academy of Sciences, Beijing, China

R. Guzzon                                                 Photonic Systems Engineer, Aurrion, Inc.

*III. Collaborating Students*

H. Zhao	UCSB, Klamkin Group
B. Song	UCSB, Klamkin Group
Y. Liu	UCSB, Klamkin Group
F. Sang	UCSB, Klamkin Group
S.T.S. Brunelli	UCSB, Klamkin Group
J. Fridlander	UCSB, Klamkin Group
V. Rosborough	UCSB, Klamkin Group
K. T. Cook	UC Berkeley
J. Qi	UC Berkeley
B. Paul	Ohio State University
S. M. N. Hasan	Ohio State University
J. Tang	University of Ottawa
